COCKTAIL MASTERCLASS

Forum's cocktail masterclasses take place on the first floor with dedicated mixologists who will talk you through the detail of the drinks ingredients, teach you the techniques used and give you a step by step demonstration on how to create the drinks

Each person will then have a go at making (and drinking!) the cocktails themselves

Masterclasses can be booked for between 5 and 10 people anytime Sunday to Thursday, with limited availability on Fridays & Saturdays

Table reservations for food after the masterclass can be made or to simply continue to explore the array of cocktails on offer at Forum

2 COCKTAILS TO LEARN ABOUT, MAKE & DRINK

£39 PER PERSON
